
indo-ANUSHKA
Providing Value for Money in Steam Engineering

## About Us

"INDO ANUSHKA" takes pride to introduce ourselves as an Engineering Solutions Firm providing answers to challenges in the field of utilities like Steam, Air and Water Network in the plant and towards Energy Conservation, all these under one roof. Over the last 26 years of operation, we have come across varied problems faced by one and all in the industries. We feel confident to state that we have been able to provide solutions for most of them, if not all. Our Endeavour is to convert the "Most" into "All".

## Vision

**Synchronizing Ideas and Applications to Conceptulize value addition through Innovation**

**We design energy-efficient solutions for Steam, Water & Air utilities based on exact application requirement.**

## We manufacture standard systems like,

- Steam Trapping Systems: Float Type, Thermodynamic Type Trap systems & Pump Trap Combination
- Flash & Condensate Recovery Systems
- Hot Water Systems: Direct Steam Injection, Indirect Heating by HE & Submerged Electric Heater type
- Thermoject - Steam Injector for direct steam injection
- Mainteno - Special Online Cleanable Strainers: with/without instrumentation + Manual/Automate
- Steam Line Accessories: IBR/NIBR
- Multiview - Special Double Window Sight Glass - with Technical guarantee of No Breakage, No Leakage & Clear View
- And more...

## We also manufacture tailor made solutions designed to meet any specific application requirements...

## We provide technical services,

- Consultancy & Turnkey Solutions for Utilities; Steam, Water, Condensate, etc. with engineering of piping lay-outs, drawings, design reports, installation, erection, comissioning, etc.
- Survey/Audit for Steam Energy Conservation.
- Steam Trap Audit.
- Services of Steam Traps, Steam PRV, Steam Valves, Safety Releif Valves, Steam/AIr Operated Condensate Pumps, etc.

**We have proudly served a diverse range of industries,**

- **Process Industries**
- **Pharmaceutical Industries**
- **Chemical Industries**
- **Dyes & Paint Industries**
- **Textile Industries**
- **Paper & Pulp Industries**
- **Laminate Industries**
- **Food Industries**
